

# EXTENDED: LANE RESTRICTIONS

## Aviation Boulevard between Arbor Vitae Street & Century Boulevard

*Extended through November 2024*

### ACTIVITY

To facilitate construction activities for the Landside Access Modernization Program (LAMP), northbound Aviation Boulevard between Arbor Vitae Street and Century Boulevard is closed continuously (24/7) through November 2024.

Northbound Aviation Boulevard traffic is detoured via westbound Century Boulevard, northbound Airport Boulevard, and eastbound Arbor Vitae Street. Detour signage is in place with flaggers on site to assist with wayfinding and maintenance of traffic.

*Please note: Nightly full closures of both north- and southbound lanes at this portion of Aviation Boulevard may be implemented on an as-needed basis (limited overnight hours between 9PM and 5AM). When nightly full closures are in place, detour routes for both north- and southbound traffic will be implemented.*

Please use caution when traveling near construction areas and plan ahead for potential delays.
